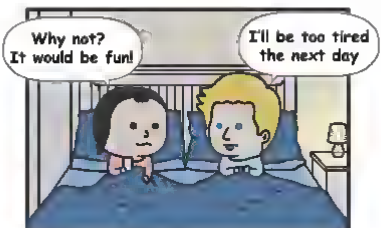
Penguin Loves Mev

In the UK

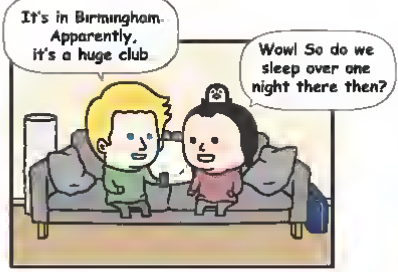
Clubbing with Mev

Unlike me,...



...Mev doesn't like nights out much.

However, Mev asked me one day.



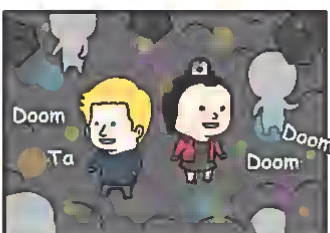
So we decided to go clubbing together

On Saturday, we checked in the hotel that we'd booked in advance, and we had some drinks as a warm up.

Then we finally got in the famous club.

We danced very hard like
there were no one else.

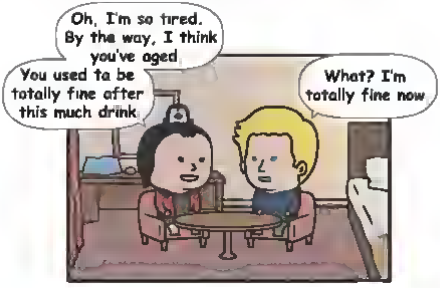
We drank hard as well.



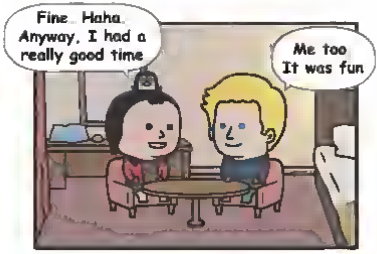
After we danced . .

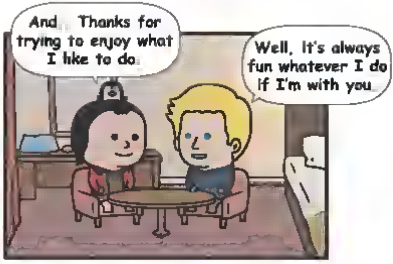
... drank again...

Finally we got back to our hotel room late at night.

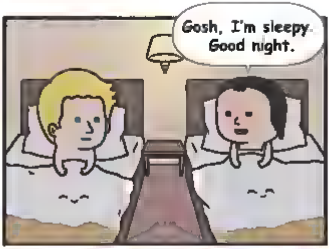


Whether he was really drunk or not,...

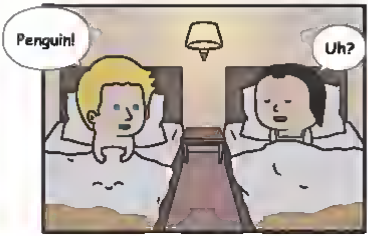




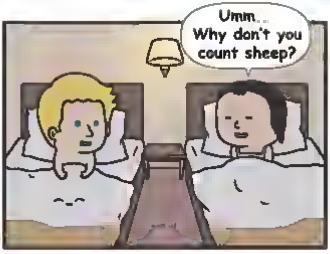
... I felt thankful for him.



I had no more energy to keep me owoke
so I was about to go to sleep.

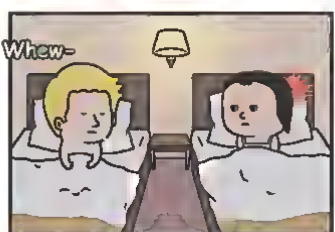


Then, Mev said.



So I suggested him this method.

After 3 seconds,
he replied with a serious voice.



Yes. He was drunk.
